This is Amendment #1 to Agreed Order No. DE04SWFAPSR-6025, dated effective March 11, 2004 ("Agreed Order").

Paragraph 1, Section IV, Work to be Performed, is hereby amended as follows:

1. The Management Plans referenced in Section IV, Part I of the Agreed Order have been amended in response to comments received by Ecology. Those amendments do not materially affect any of the work previously done pursuant to the Management Plans cited in the Agreed Order and are incorporated in the revised Management Plans dated March, 2004. For work done on or after March 11, 2004, Rayonier shall conduct the remedial investigation and feasibility study activities as described in:

*Management Plans for the Remedial Investigation-
Feasibility Study of the Uplands Environment,
Former Rayonier Mill, Port Angeles, Washington*

Volume 1 - Work Plan

Volume II - Sampling and Analysis Plan

Volume III - Quality Assurance Project Plan

*Integral Consulting and Foster Wheeler Environmental
Corporation, March, 2004* which are incorporated by this
reference and are an integral and enforceable part of
this Order.

Work done prior to March 11, 2004 was conducted as described
in the management plans referenced in the original Agreed
Order.

Other than as modified in this Amendment, the terms and
conditions of the Agreed Order shall continue in full force
and effect.
